

A Weekend For Your Marriage...

For over four decades, Worldwide Marriage Encounter has been a leading movement in offering married couples the gift of a Weekend experience to enrich their relationship.

The Weekend is now offered in more than 90 countries. In a recent survey an overwhelming majority of couples rated the Weekend as excellent.

If you have been married for many years, the Weekend can help you enhance communication, renew commitment, and rekindle romance.

If you have been married for a short time, you can learn the skills you will need to stay close through the ups and downs of life.

Don't wait to invest in your marriage when the payoff can be so great.

"Our Weekend of Discovery offered us a new beginning for our marriage."

A Weekend With Quality Time Together...

There is something special about the Worldwide Marriage Encounter Weekend. Over the past forty years, millions of couples have recommended it to their married friends and relatives.

"Our Worldwide Marriage Encounter Weekend is the best thing we ever did for each other and for our marriage!"
This comment has been heard from couples married for a few years to couples married for decades.

The reason for the glowing recommendations is simple. Couples learn how to rekindle the passion in their relationship and how to keep their love growing year after year.

The time spent with each other on this extraordinary Weekend of Discovery can enrich your marriage in ways you never thought possible. You have the opportunity to recapture your dreams.

The positive effects are not limited to just the two of you; your family will benefit from your growing love as well.

"We fell in love all over again during our Weekend."

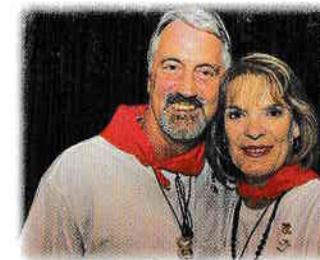

A Weekend of Discovery...

Weekend topics include:

- **Exploring our personality styles.**
- **Communicating our feelings.**
- **Dealing with the busy world around us.**
- **Learning how to improve our listening skills.**
- **Understanding God's plan for our marriage.**
- **Keeping our relationship a priority.**
- **And more...**

During the Weekend you will be given time to share your thoughts and feelings with each other in the privacy of your room. Couples are urged to focus on each other and keep the rest of the world at a distance during this special experience.
